C/015/0032, Task ID #3659

Dear Mr. Shaver:

The Division has reviewed your application to change the Ownership and Control section of the M&RP for Crandall Canyon Mine.

The Division has determined that there are some deficiencies that must be addressed before a determination can be made that the requirements of the R645 Coal Mining Rules have been met, and an approval can be granted. Those deficiencies are listed as an attachment to this letter.

Each deficiency identifies its author by that author's initials in parentheses, such that your staff can directly communicate with that individual should any questions arise relative to the preparation of a response to that particular deficiency.

The plans as submitted are denied. Please resubmit the entire application.

Sincerely,

James D. Smith
